Featured Artist June 2010, Keith Probert.

"MEET THE ARTIST " reception June 12, 12 Noon.

Photographer, Keith R Probert, is the featured artists at the P.A.L.'s Fine Art Gallery during the month of June.

Keith R. Probert was born in England in 1951 and moved to the USA in 1988. His career as a "clay modeler" for the auto industry allowed him to travel the world before coming to the States.

Always an avid photographer, Keith was able to take his work to the next level after marrying a woman who wrote magazine articles and books. This allowed Keith to travel and to showcase his work in publications around North America.

Now that he is officially retired from the auto design world, Keith and his wife have found their home here in the heart of the Ozarks where Keith now has the time to serve on the Board of Directors of several community-based organizations in NW Arkansas and to pursue his photography.

For more information on Keith's work, visit <http://palettartleague.org/KeithProbert.html>.
